

Module 8: Summary of workshop

The workshop hopefully has improved your understanding of:-

- The **linkages** between Forest, Forestry & Livelihoods in PNG.
- The importance of **Sustainable Forest Management** in achieving a continual flow of timber from our forests.
- The **Role of Planning** in delivering SFM and viable projects and continued economic benefits.
- The **Role and Value of Forest Certification** in demonstrating SFM and delivery of quality products to clients through CoC.
- **Levels of Certification** from Full Forest Certification to legality based schemes.
